How can you find the right balance for your child this summer?

FRA offers a summer of excitement and fun with camps for everyone. Whether your child's idea of summer fun involves Arts, Enrichments, Sports, or Academics, we have something for everyone!

We encourage and love having all campers, whether you are an FRA student or a student from another school in our community. Our campers make life-long friends while growing in all areas - physically, emotionally, and spiritually.

We offer the ultimate in scheduling flexibility. Combine any morning and afternoon camp to stay all day! Our Extended Care opportunities allow campers to arrive as early as 7:00 a.m. and stay as late as 6:00 p.m. Also, as an added convenience, a healthy lunch is included in the cost of each of the Themed Camps. Please note that lunch can be purchased for \$5.00 for campers participating in any of our other camps.

Camps are staffed by highly qualified and trained counselors, so campers get the best care in a safe and nurturing environment.

We have brought back all of your child's favorite camps such as Clay Camp and Very Special Doll Camp, plus we've added several new camps! Whether Creative Writing or Woodcraft, or sports such as Basketball or Track, FRA Summer Camps have it all! Attend all summer, or join us for one or two weeks.

Also, parents, don't miss out on the camp opportunities for you this year including Calligraphy and Clay.

Camps will be offered from May 29th through August 3rd. Please note that camps will not be held the week of July 4th.
